COMPANY PROFILE

Established in the December 2016, Intexlogistics India Private Limited. has been in the continuous process of becoming a pioneer in the Contract staffing Services industry, offering customers a continuum of services to meet their needs throughout the employment and business cycle. The company specializes in providing end to end business process outsourcing solutions to various industries and customers PAN India. The Business Process Outsourcing model including Contractual employment of Unskilled, Semi-Skilled, Skilled, Technical, Non-Technical Staff is one of the success mantra for INTEX.

Intex also provides its customers, full employee assessment; training; career transition; organizational consulting; and professional financial services. The focus of Manpower's work is on raising productivity through improved quality, efficiency, and cost reduction, enabling customers to concentrate on their core business activities.

The company started its activities from January 2017 with 65 on roll employees servicing 2 clients in Gujarat and 1 client in Rajasthan and has grown in last 5 years with around 5000+ on roll associates providing services to 24 clients across PAN India. The industry sectors covered by these associates range from Automobile, Engineering, Manufacturing, Retail, IT, Electronics, Third Party Logistics and India's largest Telecom service providers.

We are in this business for long time and successfully providing the satisfactory results, outputs to our clients. We are master in providing services in accordance with all the directions and requirements of the client...

Intexlogistics is becoming one of the leaders in innovative workforce solutions, creating and delivering services that help clients meet their business and workforce objectives while enhancing their competitiveness.

With our corporate office located in Mumbai, the commercial capital of India, we are strategically located in Bangaluru, Vadodara, Faridabad, Bhubaneshwar, Kolkata, Chennai, Nasik, Jaipur, Ujjain, Hyderabad to provide support for all our customers across geography of India. At Intex Logistics, we strongly believe that value can be achieved without compromising quality. We are committed to offering our clients excellent service and want to exceed their expectations.

MISSION VISION & VALUE PROPOSITION

Mission

Our mission is to provide a human resource services beneficial for both the employer and employee. We strive hard to become a premier national corporate manpower recruitment company with our reliability, honesty and commitment for better results.

Vision

Our vision is to lead the creation and delivery of innovative workforce solutions and services that enable our clients to win the changing world of business and competition.

Value Proposition

Intex Logistics pledges to deliver the best value in the market, offering a quality service delivery at a competitive and affordable market price. As a total solutions provider, our services are tailored according to the unique requirements of each client. With us as your strategic partner, you will no longer have to worry about possible mismatch of quality and expectations among the workers. We also strive to address any issues related to the welfare of the workers supplied to our clients, alleviating their concerns on business operation interruption.

People

We respect and care people as individuals and role of work in their lives by supporting them and enabling them to achieve their aims in work and in life. We recognize everyone's contribution to our success – our staff, our clients and our candidates.

OUR SERVICES

Our Services

The greatest asset of any organization is the people working for it. That is why professional recruitment is utmost important at every level. Analysing the resumes to reading the right candidate

is the need of the day. With this process in mind we are now a leading manpower provider in warehousing and logistics companies. Apart from Warehousing and logistics, we are experts in

providing manpower services in Production, Assembly, Power, Telecom, Railways, Shipping, Ports, Housekeeping, Construction, Hospitality sectors and a few govt. projects where contractual manpower is required.

We also provide Skilled, Semi-skilled, unskilled blue collared staff required in various industries.
